

SUPPLIER DEVIATION/WAIVER REQUEST

The Supplier must complete SECTION ONE of this form, email it to their Chemring Energetic Devices' Buyer and copy the Purchasing Supervisor at mfosdal@ced.us.com. If this request is approved, the Supplier shall place a copy of the approved deviation or waiver in the shipment with the parts.

SECTION ONE

CED PART#:						REV:				
QUANTITY:			PO#:							
Request to accept (check one):										
FOR DEVIATIONS										
\square We have not started running this job and request a deviation to the Purchase Order we accepted.										
FOR WAIVERS										
☐ Nonconforming condition(s) - quality penalty will be assessed. This waiver request shall include a brief description of actions to eliminate the nonconforming condition.										
☐ Conforming parts at previous revision(s) and requested by CED- quality penalty will <u>not</u> be assessed.										
☐ Processing/material certification exceeds the requirements cited on the relevant drawing.										
Describe the condition for which this DEVIATION or WAIVER is requested.										
If this is a WAIVER request, briefly describe the actions to eliminate the nonconforming condition.										
Supplier:				Signature:						
Date:		Phone:			Email:					

- CED Buyer will route request to the Responsible Engineer.
- Responsible Engineer will complete SECTION TWO and forward to Engineering Management.
- Engineering Management will complete SECTION TWO and forward to Supplier Quality Manager for approved Deviation/Waivers or to the Buyer for Disapproved.
- For approved Deviation/Waivers, Supplier Quality will complete SECTION TWO and will present to Quality Assurance for review and approval.
- Quality Assurance will review and Approve/Reject the request.
- The Approval/Rejection will be communicated by Supplier Quality to all the applicable departments (including the Supplier's contact or Supplier's Quality Department).
- CED Buyer will route request to the requesting supplier and keep a copy on file.
